## Industrial Painting and Sandblasting Business

**Type of Business:**

This industrial painting and sandblasting business for sale has a decades long history of providing high-quality service in heavy commercial, industrial and large grain storage applications. The business offers a comprehensive range of services including surface preparation, corrosion control and the application of durable coatings with an experienced crew that maintains a stellar reputation throughout the Central United States, with a focus on the Mississippi River corridor.

**Growth Opportunity:**

This business currently enjoys a robust customer base and an extensive pipeline of contracted work. Hiring more crew and adding equipment to work more than one job at a time would be an effective strategy to grow the business. Focusing sales efforts in the South during the winter as well as adding maintenance jobs during the off-season could also significantly increase sales.

**Reason for Selling:**

Retirement.
